

CANNING HOSTEL ANNIVERSARY.

The 10th Anniversary of the Canning Hostel Union came off on Saturday, the 6th October. The Hostel gate and hall were tastefully decorated with leaves, lilies, lotuses, and other beautiful flowers which are the glory of the Autumn season in Bengal. Natyacharyya Amritalal Basu presided. There was a crowded gathering of the College Staff, boarders of the Hostel and a number of ex-boarders. After the opening song and the secretary's report the curtain rose amidst universal cheers. There was a varied programme of music, recitations, selected scenes and comic skits, most of which were produced with uniform success. Natyacharyya Amritalal Basu addressed the gathering in his characteristic humorous style. He spoke on *Ananda* (আনন্দ) and held the audience spell bound for over half an hour. A vote of thanks was proposed to the chair by Prof. P. Ghoshal, after which the ceremony came to an end, the guests of the evening being treated to light refreshments.

AMHERST STREET MESS UNION.

The College Mess Autumn Social came off on Sunday, the 7th October. Dr. S. Chowdhury kindly presided over the gathering which was joined by the honourable Principal, professors and old boarders. A theatrical performance accompanied by songs and recitations was made by the boarders on that occasion. The 1st scene from চিতোর গৌরব and the comic sketch খ্যাতির বিড়ম্বনা from Rabindranath's হাস্য-কৌতুক were acted on the stage. The performance was a grand success and the comic sketch put all to loud laughter.

That, being over the president addressed a short speech

which was followed by Professor, Panchanan Ghosha's instructive lecture full of patriotic inspiration. He said that we should regain our old Hindu spirit and like true Kshatriyas should acquire courage and fight for the country to remove our slavery and distress. After this the gathering was dissolved. The professors and old boarders were treated to light refreshments. A heavy feast went that night in the mess.
