NOTES

The College closed for the Long Vacation on the 23rd April last, and reopened on the 11th July. Work commenced in the old classes on the reopening day, and in the newly formed first and third year classes on the 20th July. We accord a hearty welcome to all the freshers.

The College Athletic Club deserves our warm congratulations on winning the Hardinge Birthday Challenge Shield this year too, by defeating Ripon College by two goals to one in the final of the above competition. To celebrate this victory the college was closed for a day.
