

**BACHELOR OF SCIENCE (PASS.)
FOR 1909 AND SUBSEQUENT YEARS.**

No candidate shall take up Honours in more subjects than one.

Any *three* Sciences. Mathematics and Experimental Psychology are also treated as science subjects. Physics or Chemistry not allowed unless both Mathematics and Physics were taken up at the lower examination.

Three papers in each subject.

Each paper carries 100 marks.

minimum for a pass :—

| | | |
|-------------------------------|-----|------------|
| (60 written and 40 practical) | 100 | out of 300 |
| in the aggregate | 240 | out of 900 |
| With distinction | 450 | out of 900 |

[We consider it unnecessary to give the details of the Honours curriculum and of the provisions for the higher Degrees as they have been in the past and are still more likely to be in the future a luxury for the few.—Editor]
